Dr. Michael Friedman
Lead Deputy Commissioner
Food and Drug Administration
5600 Fishers Lane, Room 1471
Rockville, MD 20857

Dear Mr. Friedman,

I am totally against genetically engineered food. Please allow me to have my own right to choose by requiring that all foods that are genetically engineered be labeled accordingly.

With proper labeling, the food industry will quickly realize that most people feel as I do. Maybe that will deter them from what I regard as gross misconduct or criminal behavior.

Sincerely,

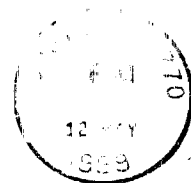

Ola Humphries
